

ALL IN READINESS FOR BOXING SHOW

Niles Fight Management Announces Change in Program. Arrangements Made for Accommodation of S. B. Fans.

Special to News-Times.

NILES, Mich., Oct. 15.—All is in readiness for the boxing show Thursday night, which will end the three days' sport carnival here. Indications point to a heavy attendance, not only from Niles but from many places nearby. South Bend is expected to send the biggest out of town delegation and a block of ringside seats has been reserved for the Hogies fans. Arrangements have been made for the transportation of visitors. If the fight has not been concluded at 12 o'clock a car will be held for the South Bend party. The Northern Indiana Railway Co. has promised to furnish good service both to and from Niles.

The show will be staged in a circus tent located within a block of the street car depot. Ringside seats are being sold at \$1.

Homeland on Card.
A change in the program which will add to its class has been made, according to the management. Joe Homeland of Chicago, well known to South Bend fans, will oppose Eddie Blankert of South Bend. They will go eight rounds at 125 pounds.

Jack "Twins" Sullivan and Ollie Teeters, who will box 10 rounds at 200 pounds, ended their training Wednesday with a light workout.

Bobby Cullip and Lew Popp, both of South Bend, will meet in a six round preliminary at 125 pounds. The curtain raiser will see two local youngsters, Cleo Miltenberger and Homer Kizer, in a five round scrap at 135.

Dr. F. M. Bonine of Niles will referee the contests.

A large crowd here Wednesday afternoon witnessed the first day's races to be given by the Niles Driving club. There were several close heats and the fans had plenty of excitement to pay them for their trouble.

Wild Bill owned by George Odell of Kalamazoo captured the 2:30 trot and \$100 after four heats. Wild Bill lost the third but came back in the fourth. Lady Blaxell was second with Ben Ross, third. Pat H. Kelley was drawn after the third.

Five heats were required before Allee Baxtell, owned by Parker brothers of Niles, captured the free for all trot and purse of \$150. After winning the first two heats and coming in second in the third, Maxine, owned by Homer Peck of Laporte, was distanced in the fourth. Angy owned by Lingard and Pine of Laporte got second money.

Billy Boreal owned by F. Glover, Benton Harbor, Mich., won the 2:20 race and \$100 purse in straight heats. Aeroplane owned by Charles Zwergel of Niles, Mike owned by W. McAlpine, Allegra, Mich., and Little Billy the property of F. L. Arnold, Benton Harbor, were tied for second honors.

In the special race for \$50 Bill won in three heats. Mike the Tramp was second with Miss Fisher third.

A lecture on Idaho apple culture, illustrated from the planting of the seed to the harvesting of the fruit, was given Tuesday evening by W. H. Halling, an apple grower with orchards in the Owyhee valley, Idaho, before a company at the home of Mrs. N. G. Dakin, 731 W. Colfax av.

PUBLIC IS CAUSE OF HIGH PRICE OF BEEF

Charles W. Armour Suggests That People Quit Eating Veal For a While.

KANSAS CITY, Mo., Oct. 15.—Curtailling of the high price of meat is up to the public, according to Charles W. Armour, president of the Missouri corporation of Armour & Company, packers, who today issued a statement on the subject.

Mr. Armour says that if the consumers will discontinue eating veal for several years until the supply of cattle in this country is brought back to its normal condition, the bottom will soon thereafter drop out of prices.

"But with South America now supplying Europe with beef," said Mr. Armour, "if a heavy drain from this country should fall on our southern neighbors, the supply would be depleted there the same as it is in this country. In that case, of course, the prices could not drop."

SUIT FILED AGAINST INTERURBAN COMPANY

F. H. Dunnahoo Trying to Collect \$6,000 on Note Given by Dewitt Dilworth.

F. H. Dunnahoo has filed suit for \$6,000 against the Chicago, South Bend & Northern Indiana Railway Co., the successor to the Northern Indiana Railway Co. The suit is the outgrowth of the Lincoln National bank suit which was dismissed last April by the bank after having been up to the appellate court and remanded to the circuit court.

Dunnahoo obtained the judgment against the railroad, which was garnishee defendant in a suit on a note given by Dewitt Dilworth. It was agreed, however, that the money should not be paid until Dunnahoo should indemnify the company if the Lincoln National bank, claiming to be assignee of the note, should press its claim in the courts. When the bank's suit was dismissed it is declared in the complaint the railroad company refused to pay the judgment.

WILL CHANGE NAME OF HIGHWAY ASSOCIATION

ELKHART, Ind., Oct. 15.—The Northern Indiana Highway association—to include citizens of Elkhart, Goshen, Mishawaka, South Bend, Rolling Prairie, Laporte, Valparaiso and Hobart—may be organized in the near future as a co-operating organization with the Lincoln Highway association.

At a meeting of the committee, consisting of Ethan L. Arnold of this city, M. W. Mix, Mishawaka, J. E. Gorham of Goshen and Gus Greiger of South Bend, who had been appointed by the president of the Federal Trans-Continental association, it was decided to recommend at the next meeting that the old name be dropped and the new one adopted.

The association will consider the matter at a meeting to be held on Oct. 21. A majority of western cities, members of the Federal association have substituted the Lincoln Highway association in its stead.

SUES FOR \$5,000 AS A RESULT OF COLLISION

Mrs. S. A. Edmonds Was Passenger on Car That Struck Big Four Train.

ELKHART, Ind., Oct. 15.—The Chicago, South Bend & Northern Indiana Railway Co. is made defendant in a damage suit filed at Goshen Wednesday by Dr. S. A. Edmonds, who demands \$5,000 damages for injuries sustained by his wife in an accident at the Big Four's Middlebury st. crossing in this city on Oct. 16, 1911, when a street car on which Mrs. Edmonds was a passenger, crashed against a Big Four train.

The complaint recites that as a result of the accident, Mrs. Edmonds is suffering from hernia and will probably be compelled to submit to a surgical operation; also that a nurse is constantly in attendance and that Mrs. Edmonds' condition will warrant the necessity of having a nurse employed for the balance of her life.

SUIT OVER THE CLAER ESTATE IN PROGRESS

Opening Statements in Case Which Involves \$10,000 and Legitimacy of Children.

ELKHART, Oct. 15.—Another superior court trial which is expected to last three or four days was started Wednesday. It is that of Clifford Klaer et al., by his next friend, Gaylord H. Case, against Adam Klaer et al. The case is here on change of venue from St. Joseph county.

While on its face the case seems to be one to quiet title to property in St. Joseph county, the real question to be determined, it is asserted by one of the attorneys in the case, is the legitimacy of a certain child, who is advanced as an heir to the property.

The array of legal talent is imposing, the plaintiffs being represented by Drummond & Drummond of South Bend and Proctor & Cawley of this city, while Anderson, Parker, Crumpacker & Grabbill of South Bend and P. L. Turner of this city appear for the defendants.

From the opening statements by counsel to the jury it appears that Otto Klaer, a South Bend druggist, never married; that after his death in 1910 leaving property valued at \$10,000, which his father, brothers and other relatives supposed was theirs, a claim was set up that at least two children born to the wife of Oliver Sears were really the children of Klaer, and that he acknowledged them as such. If this can be established, the property will go to the children under the laws of this state.

TURNERS WILL BURN LAST OF THE BONDS

Local Institution is Freed of Indebtedness and Members Will Celebrate Sunday—Banquet Big Feature.

With the burning of the bonds Sunday night, a big banquet and a number of other entertainment features, members of the South Bend Turnverein will celebrate the payment of the last cent of indebtedness on their property at Marion and Michigan sts.

The burning of the bonds is to be the big feature. Some \$3,000 in paper which has been owed by the institution for several years will be sent up in smoke. Then will come the banquet at which only the members and their invited friends will partake. While Simon Greenebaum was president the members acted on his suggestion that they purchase the bonds. Each member subscribed a certain proportion towards the debt and the last one of these was paid some time ago.

Under the system a name was drawn from the number of names of men who had loaned money to the society. This member was paid off and then another drawing was held. None of the members were paid interest, all of them agreeing to help clear the institution of indebtedness. The plan worked to perfection and as one member was paid after the other, the members began planning to hold a celebration when the last man was paid. The climax will come Sunday when it is expected that about 500 people will take part in the celebration.

Fred Rockstroh, Robert Voedsich and Fred Lederer are members of the committee arranging for the celebration Sunday.
